

SENIOR OR PRINCIPAL POLICY PLANNER

LONDON

TROY
PLANNING + DESIGN

WHO WE ARE:

Troy Planning + Design (www.troyplanning.com) is a professional planning consultancy specialising in strategic and community planning and urban design, working on a wide range of public and private sector planning, development, and design related assignments across the UK and the USA.

Our clients include local authorities in London and the South East of England, Neighbourhood Planning groups, community groups, developers and land owners. The team has substantial experience across a large number of successfully adopted Local Plans and 'made' Neighbourhood Plans.

OUR OPPORTUNITIES:

We are a young and growing company founded in 2013 to apply a fresh approach to plan-making for cities, towns and neighbourhoods.

We provide a unique level of expertise and support to our wide range of clients. Due to increasing demand and a varied workload across urban and rural areas we are looking to grow the team. You will have the opportunity to tackle the challenges of preparing evidence base documents; support the plan-making process and preparation of policies; and defend plans through to adoption. If you have experience in these areas, with a passion for strategic planning and a commitment to innovation and best practice this role is the opportunity to expand your horizons.

The position will be ideally suited to someone looking to make the next step up to Senior or Principal Planner level.

WHO YOU ARE:

You will have at least five years' post-qualification experience working in the fields of strategic, local and neighbourhood planning, drafting policy and supporting technical evidence. You enjoy working as part of a team, providing accurate and timely advice, and able to work to deadlines. Although London-based, you will work on projects across the UK.

You will have the following specific skills and experience:

- Excellent written and verbal communication skills including experience of planning policy drafting and evidence base preparation.
- Experience of presenting to Council Members and the Public.
- Preparing for and appearing at Local Plan EiPs or Planning Appeals
- Strong analytical and numerical skills.
- Attention to detail.
- Experience of using Microsoft office, particularly Word and Excel.
- Experience of managing planning policy projects.
- Chartered Membership of the Royal Town Planning Institute.

NEXT STEPS:

If you are interested in this opportunity, please email a CV and a covering letter explaining why you believe you would be a great candidate for Troy Planning + Design to info@troyplanning.com by **18:00 on 22 September 2017**. Applicants of interest to the company will be invited to attend an interview: these may take place before the application deadline should applications from potentially suitable candidates be received before then.
